

Looking Ahead: Lonsdale Gallery Anniversary Show

November 12-December 13, 2009

Opening Reception Thursday, November 12 from 7-10pm

Lonsdale Gallery is entering its fifteenth year in Toronto. Over this time Lonsdale has fostered the careers of many great artists and worked to achieve its mandate to exhibit works that challenge interpretation and elicit reaction: contemporary painting, sculpture, experimental photography and installation.

This exhibition serves as an homage to the shows and artists who have helped to make our gallery what it is today and to the new talents who will be part of our future. For our celebration, we are showcasing a selection of just some of the great artists we have had the pleasure to work with. Please join us for the opening reception for special presentations and performances.
